PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

DETAILED ACTION

1. This office action is responsive to communication filed on November 20, 2009.

Response to Amendment

2. The amendment filed November 20, 2009 will not be entered because it raises new issues which would require further search and/or consideration. For instance, claims 11, 16 and 21 have been amended to recite that the time for dividing the moving picture data is for generating plural moving picture files. This amendment changes the scope of claims 11, 16 and 21, and thus necessitates further search and/or consideration. Claims 26 and 27 have been substantially amended and would thus also require further search and/or consideration.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ALBERT H. CUTLER whose telephone number is (571)270-1460. The examiner can normally be reached on Mon-Thu (9:00-5:00).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sinh Tran can be reached on (571) 272-7564. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
